
Who We Are

The Hugo Neighborhood Association & Historical Society (*Hugo Neighborhood Association*, or HUNAHS) is one of several neighborhood groups in Josephine County.

The use of “HUNAHS” is, we hope, a way to use the magic vowel ‘U’ in Hugo so we too can have our own county-wide catchword. Say it like you say Hugo, HU-NAHS.

Power In Numbers

We **ARE** certain that there is power in numbers and feel very strongly that if the residents of Hugo want to keep their rural quality of life, we must stand up for one another whenever the opportunity arises.

We can't stop progress, but we can keep it responsible. For instance, the Three Pines visual nightmare could have still been developed, but not with a road that offends anyone who looks at it, or with the unanswered questions about runoff and erosion.

More Information

We've formed a committee, the *Who Are We Committee*, to communicate to one another what is happening in our backyards, so we can seek the help of the *Hugo Neighborhood Association* with what we perceive to be inappropriate. We live in a wonderful area that is beginning to change dramatically. Together we can influence the changes that are bound to occur.

We're not sure everyone in Hugo knows about the *Hugo Neighborhood Association* and what we've accomplished in the past. Certainly our growing membership and commitment promise a more community orientated rural neighbor-hood.

I'm initiating a meeting of this newly developed Committee and hope I can encourage you to join us as a member. Our goal is to set up another meeting of the community to let everyone know there might have been a method to change the nightmare. Let us add your name to the committee!!! Someone will call you in the next week to answer any questions you might have and to see what date/time for our meeting would work for you. If you want to contact me, please feel free to call at 541-479-3162.

Thanks for your help!

Present Committee Members: Liz Butowitsch, Chair, Richard Gross, Rosemary Whitford, Wayne McKy, Hal Anthony & Mike Walker.

Hugo Neighborhood Association & Historical Society's Mission

This information brochure is one of a series of documents published by the *Hugo Neighborhood*. We are a nonprofit association composed of a voluntary group of citizens interested in both the land use and history of the Hugo area, which is located in Josephine County, Oregon.

Land Use & History

Its land use mission is to promote the social welfare of the citizens of the area by working to educate, preserve, protect, and enhance the livability and economic viability of its farms, forests, and rural neighbors.

Its history mission is to educate, collect, preserve, interpret, and research its local history and to encourage public interest in the history of the Hugo area.

Send us your email address if you want to know what we are doing; email does not cost us money, just time and effort.
